State Team Manager Selection Policy

1.0 Purpose

- 1.1 The purpose of this policy is to ensure the best possible managers are appointed to manage our state teams.

2.0 Procedure

- 2.1 State Team Managers will be appointed by the TBAV Board.
- 2.2 Nominations for State Team Managers will close 72 hours after the respective team trials, and Managers will be appointed within 14 days of the completion of the respective team trials.
- 2.3 Each manager seeking a state position must fulfil certain criteria prior to being considered for the appointment. The criteria include:
- Completion of the TBA Managers course.
 - Be a person of good standing.
 - Hold a current WWC card, where applicable.
- 2.4 The appointment of a State Team Manager is done so on an event by event basis and should in no way be seen as a permanent appointment to that position, neither should they look upon the appointment as a 'position for life'. Their appointment can be reversed at any time should the TBAV Board deem the appointed managers actions become in any way inappropriate between the time of appointment and the time of team travel.
- 2.5 Any manager has, at any time, the right to approach the Team Victoria Officer, however, any decision made will be final.
